**Kidder Benefits Consultants** is a full service, independent, qualified retirement plan consulting, administration and investment firm headquartered in West Des Moines, Iowa.

The firm has a regional consulting and administrative office in Tucson, Arizona, as well as regional offices in Omaha, Nebraska, Albuquerque, New Mexico and Rochester, Minnesota.

Established in 1996, we are committed to designing and implementing tailor-made qualified plan solutions that satisfy the needs of employers, professionals and their financial advisors. By not representing any particular plan, concept or funding method, we can design working programs from across the spectrum of qualified plan and funding alternatives.
